Earthquake Scenario

What is an EOC?

Emergency Operations Centre

- Designated facility established by a community to support disaster response and recovery
- Provides support to the incident site and coordinates and manages all non-site activities

EOC Activations

Activations occur when:

- Significant number of people are at risk
- Response coordination is required
- Resource coordination is required
- Uncertain conditions (i.e. event escalations, unknown damage extent)
- Potential threat to people, property and/or environment

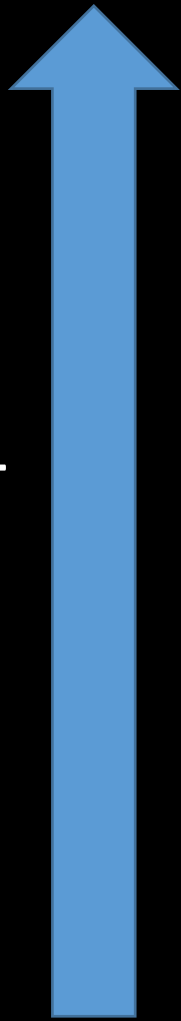

Response Goals

EOC supports the following prioritized goals:

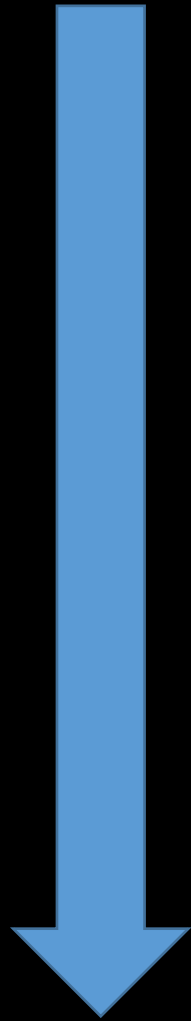

1. Provide for the safety and health of all responders
2. Save lives
3. Reduce suffering
4. Protect public health
5. Protect government infrastructure
6. Protect property
7. Protect environment
8. Protect economic and social losses
